Dedham. Thursday.

Dear Tom.

I send you the letter of the R.R. Com. to A. Lakeman &c. you should have had long since. But I could not get in a word for it till this afternoon when I have written it in real haste. Pray send it over with the bill & the rest of the case, & make such changes as you see fit. Remark especially that I have not noticed the charges of denying the obligation & forming & supporting civil govt. - but only of yielding obedience. If you think this might admit a cavil insert something. Lose no time to get it just right & send it as soon as possible afterwards. Sign my name to it for me. My name it must be copied - this you see is my rough draught.

10 I intend to have a commu-

-plication from you tonight but am disappointed. Do try write or tel me if you intend doing it to let me know what is going on - especially in your household.

I am seriously perplexed as to the compounded Report. I don't know what to do or where to begin & am thoroughly tempted to throw up the whole affair. I don't but that that S. had written more of it.

I have invited Dunn to send you my P.R. proofs when I have you or me to come sitters will send for me. I will do as much for you or them. Love to all.

Affec[tionately] yours

E. L.
